ONLY PHOTOS TAKEN BY COLLEGIATE STUDIOS CAN BE USED FOR YOUR YEARBOOK PHOTO. We have sessions available starting at \$30. Please read completely and carefully to see your options.

1) PICK YOUR SESSION. For your school you must have formal wear in the yearbook. If you take casual or outdoor photos then they will only be for your purchase and cannot be chosen for the yearbook.

2) When are you available? We typically schedule up to 3 weeks out. Make sure you know your work or sports schedule and family commitments to avoid costly reschedules! You can be put on our notification list if you are looking for a particular day or week. Sessions are booked on a first call, first serve basis.

3) Within a week you will be sent a link to view your pictures. From there you can choose your yearbook photo and also be able to order.

Our packages range from \$155 to \$649, and are competitively priced. There is no minimum purchase, you are never required to purchase portraits, and you will never have to choose or pay for your package before seeing your portraits. If you don't like your portraits, let us retake them. We want you to love your Senior portrait experience.
